Part 3 – Details of your investment and Set-up Adviser Charge instructions

Please ensure you complete all the boxes in this section.

Note: Please make sure that Section A minus Section B is equal to the amount in Section C. If there is any discrepancy, we will pay the amount specified in Box B to your adviser and we will invest the net amount of A minus B into your bond.

'Your Premium' will be calculated as 'Your Payment' less any Set-up Adviser Charge you have asked us to pay to your adviser. 1% is deducted from your Premium as payment for the Whole of Life Plan. The remaining 99% of your Premium is used to buy units and this amount represents your Endowment Premium.

If you choose to redirect Natural Income and you do not make any withdrawals from the redirection funds, the units held in these funds will accumulate and will remain included in your estate for IHT purposes and may incur tax liabilities.

In this section, tell us how much you are investing. You can ask us to pay on your behalf any Set-up Adviser Charge that is due to your adviser.

The amount invested in the bond will be calculated as the payment you send us less any Set-up Adviser Charge, as indicated in section b below.

The Set-up Adviser Charge agreed for arranging this bond may be expressed as either a fixed monetary value or as a percentage of the total payment.

a) Total payment (The amount you are sending to us)

b) Set-up Adviser Charge (if any). Insert either the monetary amount, percentage of Total Payment, or if no payment is to be facilitated by Prudential, tick NIL.

 £ Or % Or NIL (please tick)

c) Amount to be invested (your premium) (minimum £15,000)

We have limits which set out the maximum level of Adviser Charging which we will facilitate. For Set-up Adviser Charges this is 5% of the single premium or £20,000, whichever is lower.

Inheritance Tax warning

The funds used to take out the Prudence Inheritance Bond must represent funds that belong to the person or persons taking out the bond. When one investor takes out the Prudence Inheritance Bond, the cheque should generally be drawn from a bank account that is in the sole name of that investor.

Important notes

The policies within the bond will not start until:

- we have completed our assessment of the current state(s) of health of the Life/Lives Assured (provided this is possible),
- we have accepted your application,
- following our assessment of health, we have received all we require including the fully completed trust document and confirmation from your Financial Adviser that you wish to proceed with the bond. Such confirmation can be by payment of the investment amount or by other means acceptable.

Provided we have sufficient evidence to complete our assessment of health:

- we may confirm there is no change to our original estimate of any discount that may apply to the gift being made,
- we may indicate a revised estimate, or
- we may not be able to provide an estimate based on your current state(s) of health.

If you (or second life assured if applicable) have a birthday while your application is being processed, our estimate of any discount that may apply to the gift, for Inheritance Tax purposes, may differ from that we originally quoted. If we do not have sufficient evidence to complete an assessment of health for any reason, we will tell your Financial Adviser that we will not be able to provide an estimate.

We may ask you to contact your doctor if we are waiting for reports which we have asked for.

We have a confidentiality policy in place, which means we hold your medical information securely and access is limited to authorised individuals who need to see it.

You are entitled to ask for a copy of your application form at any time.

Part 10 – Declaration, Finalisation Authority and Consent

Your statutory rights under The Access to Medical Reports Act, 1988 and The Access To Personal Files and Medical Reports (NI) Order 1991.

Access to medical reports

We need to establish whether we can provide an estimate of any discount that may apply to the gift being made, for Inheritance Tax purposes, based on an assessment of your current state(s) of health. To do this we need to get medical reports. Before we can ask any doctor that you have consulted to complete a report, we need your permission under The Access to Medical Reports Act 1988. Your rights under the act are as follows:

- You do not need to give your permission, but if you do not, we will not be able to provide an estimate of any discount that may apply to the gift being made, based on your current state(s) of health.
- You can ask to see the report before the doctor returns it to us. If this is the case, we will tell the doctor to keep the report for 21 days so that you can arrange to see it. If you have not made arrangements to see the report within this time, your doctor will send the report to us.
- If you choose not to see the report at this stage, you may ask the doctor for a copy within six months of it being sent to us. We can send a copy of the report to your doctor if you ask to see it at a later date.
- If you think that any part of the report is not correct or is misleading, you may ask the doctor to amend it. If your doctor refuses to make the amendments, you may ask him or her to attach a statement outlining your views, which will then accompany the report.
- Your doctor can withhold access to the report if he or she feels that it would cause physical or mental harm to you or others.

The medical report asks about the following:

- Your current health.
- Any care, medication or treatment you are currently receiving.
- The results of referrals or tests you are waiting for.
- Any time off work in the last three years.
- Your past health.
- Details (excluding minor self limiting ailments/ conditions) of any relevant illness, trauma, or referrals for specialist advice or treatment, hospital admissions, consultations with your GP or any other medical adviser, therapist or counsellor, in particular whether you have a history of:
 - malignancy (cancer), cardiovascular (heart) disease, diabetes, and degenerative (gradually worsening) diseases;

- musculo-skeletal disease or injury, for example, arthritis, rheumatism, back problems or any other disorder of the joints or muscles;
 - anxiety, depression, neurosis (such as phobias, obsessions and so on), psychosis (a mental disorder where you lose contact with reality), stress or fatigue;
 - suicidal thoughts or attempts at suicide; or
 - conditions related to drug or alcohol misuse or smoking or chewing tobacco.
- Details of any biopsies, blood tests, electrocardiograms (heart tests), diagnostic genetic test results, height, weight if measured in the last two years, urinalyses (tests on urine), x-rays or other investigations.
 - Any blood pressure readings in the last three years.
 - Any history of disease among your parents or brothers or sisters that you have told your doctor about.

We have asked your doctor not to reveal information about:

- negative tests for HIV, hepatitis B or C;
- any sexually-transmitted diseases unless there could be long-term effects on your health; or
- predictive genetic test results.

The information you and your doctor provide about your health may result in us:

- refusing to provide an estimate of any discount that may apply to the gift being made;
- providing a revised estimate of any discount that may apply to the gift; or
- providing a standard estimate of any discount that may apply to the gift.

If you have any questions about your rights under the act or questions relating to the process of getting, assessing or storing medical information, please write to:

I authorise those asked to provide medical information when they see a copy of this consent form. This form allows you to gather medical reports within six months of the start of the bond, or after my death, to support any claim made on the bond proceeds.
- This information can also be used to maintain management information for business analysis.

I/We confirm that I/we have read the Key Information Document and relevant Investment Option Document(s) for this product.

Ownership of the policies in the bond – I/We request that Prudential issues the endowment plan in my/our name(s) and the whole life plan subject to the trust specified in the enclosed Prudence Inheritance Trust form (form 2 or form 2D).

How we use your personal information

We, Prudential UK (part of M&G plc), take the privacy and protection of your personal information seriously.

So we've set out below information about our processing of your personal information, what rights you have, and how you can get in touch if you want to know more.

When we say personal information, we mean information about you, such as your name, date of birth and contact details. We collect personal information from you that is necessary for us to either provide you with the product or service you've requested or to comply with statutory or contractual requirements. Unfortunately if you don't provide all of the information we require this may mean we are unable to provide our products and services to you.

Part A – How we use your personal information and why

We, M&G plc and our Business Partners, will use the personal information you provide to us, together with other information, for the following purposes:

- the administration of our products and services, including to enable us to perform our obligations to you and to provide any relevant services as discussed with you prior to any purchase of a product or service
- complying with any regulatory or other legal requirements
- carrying out checks using agencies such as credit reference agencies, tracing companies, or publicly available information (See Part B for more)
- the provision of customer services – like to reply to a question, or tell you that something's changing
- automated decision-making or profiling (see Part C for more)
- keeping your information on record and carrying out other internal business administration

In addition, we, M&G plc, and our Marketing Partners, will use the personal information you provide to us, together with other information, to send you direct marketing offers by electronic and non-electronic means including by post, as well as sending you introductions to products and services from carefully selected third parties also by post. Please see Part G for further details.

Some of the purposes above are necessary to allow us to perform our contractual obligations to you and to enable us to comply with applicable laws and regulation. We may also rely on legitimate interests or other legal bases in using and sharing your personal information for the purposes described above to improve our products and services. This allows us to explore ways to develop our business and to gain insights into how our products and services are used. To the extent that we need your consent to use your personal information for the purposes described above, you explicitly provide your consent by signing and returning this form, or as set out in Part G as appropriate.

Who we share your personal information with and why

We may share your personal information within M&G plc and with our Business Partners, for any of the purposes set out in Part A. If you have a joint policy or investment, the other person may receive your personal information too. If appropriate, we may also pass on your personal information to financial crime prevention agencies, any legal, regulatory or government bodies.

As we, M&G plc, and some of our Business Partners are global companies, we might need to send your personal information to countries that have different data protection laws to the UK or the European Economic Area. These transfers will only be to countries in respect of which the European Commission and, where applicable, the UK Government has issued a data protection 'adequacy' decision, or to other countries, such as India or the United States of America, but only where appropriate safeguards have been put in place first. In more limited circumstances, we may also need to rely on a derogation under applicable privacy laws.

If you want to know more about these safeguards – like our use of the European Commission's or UK's Model Clauses which govern the transfer of information outside of the European Economic Area and UK respectively – further information is available on request.

We keep your personal information for a set amount of time

Your personal information will be stored either for as long as you (or your joint policyholder) are our customer, or longer if required by law or as is otherwise necessary. It'll always be in line with our data retention policy.

Part B – Reference checks

For certain products, we may use approved credit reference agencies, tracing companies, financial crime prevention agencies, or publicly available information, to help us to check your identity, as well as to prevent fraud and money laundering; this may include checks on your current or previous addresses. Results of these may be recorded for future reference.

These checks may also be carried out for a joint policy holder or person(s) that you provide personal information on. Should we ever lose contact with you, we may use these agencies to verify your address to help us get back in touch.

Any transfer of your personal information will always be done securely.

Part C – We may use your personal information to make automated decisions or profile you

We, M&G plc, our Business Partners, and our Marketing Partners may use your personal information to make automated decisions affecting you or to conduct other profiling (for example, marketing profiling).

To the extent that we conduct such automated decision making activity, we'll provide you with further information at the appropriate time.

Part D – Use of your sensitive personal information

For certain products or services, we'll need to process your sensitive personal information, such as information relating to health, genetics, biometric identifiers and sexual orientation. To the extent that we need your explicit consent to process this kind of personal information in the manner described in Parts A, B, and C, you explicitly provide your consent by signing and returning this form.

Part E – You're in control

When it comes to how we use your personal information, you've got the right to:

- request a copy of your personal information for free (we may charge you for this if the request is manifestly unfounded or excessive)
- in certain circumstances request that we move your personal information to another organisation if you want us to

Part 10 – Declaration, Finalisation Authority and Consent – continued

- request that we correct anything that's wrong, or complete any incomplete personal information
- ask us to delete your personal information if it is no longer needed for the purposes set out in Part A or if there is no other legal basis for the processing
- limit how we use your personal information or withdraw your consents (including automated decision making) you have given for the processing of your personal information
- object to us using your personal information for direct marketing (including related profiling) or other processing based on legitimate interests
- complain to a data protection authority or another independent regulator about how we're using it.

If you want to do any of these things, or would like an explanation as regards these rights, we've explained how you can get in touch in the Contact Us section.

If you do need to speak to us, it'll be useful to have to hand that the data controller of your personal information is Prudential UK. Prudential UK have also appointed a Data Protection Officer who can be reached at the address shown in the Contact Us section of this document.

We may monitor or record calls or any other communication we have with you. This might be for training, for security, or to help us check for quality.

Part F – Acting on someone else's behalf?

If you give us personal information about another person (or persons), we'll take that to mean they have appointed and authorised you to act on their behalf. This includes providing consent to:

- our processing of their personal information and sensitive personal information (as we've explained in Parts A, B, C, and D above)
- you getting any information protection notices on their behalf.

If for any reason you are concerned as to whether you are permitted to provide us with the other person's information, please contact us on the phone number below before sending us anything.

Part G – Direct marketing

We and M&G plc will still send you information by post about the Prudential UK and M&G plc's products and services and carefully selected third parties.

Additionally, from time to time, Prudential UK and M&G plc would like to contact you by electronic means with details about products, services and any special offers. Please note that any consent you give will not apply to M&G Investments Group and Prudential International Assurance plc as they operate their own customer databases and may contact you separately.

If you consent to us contacting you for this purpose by electronic means, please tick to say how we may contact you (tick as many or as few as you like):

Adviser Charging

I/We authorise Prudential to act upon my/our instructions regarding the facilitation of Adviser Charges (the "Adviser Charge Instruction") whether specified here now or elsewhere at any time in future. I/We also understand that Prudential shall not be required to carry out such instructions (including any permitted by my/our adviser firm) where they conflict with any applicable law or regulation and/or where they are inconsistent with Prudential's Adviser Charge administration capability.

I/We understand that where there is a difference between the Adviser Charge Instruction and the Adviser Charges agreed with my/our adviser firm, Prudential will only facilitate payment in accordance with my/our Adviser Charge Instruction.

I/We confirm that the Adviser Charge specified in my/our Adviser Charge Instruction is inclusive of any VAT at the prevailing rate from time to time.

I/We understand that if the level of VAT applicable within the Adviser Charge changes (including where previously VAT free Adviser Charges become subject to VAT) Prudential will only alter my/our Adviser Charge following a new Adviser Charge Instruction or instruction from my/our adviser firm which sets out the new level of charges to be deducted.

I/We understand that, with the exception of changes in the level of VAT, the Adviser Charge may not be increased without my/our explicit authority.

I/We agree that the Adviser Charge may be reduced or stopped by Prudential or my/our adviser firm without my/our explicit authority.

I/We agree that where my/our adviser firm arranges for the services I/We have agreed with them to be provided by another adviser firm, I/we authorise Prudential to amend my/our Adviser Charge Instructions to pay the Ongoing Adviser Charges at the existing agreed level to the new adviser firm, except where they conflict with any applicable law, regulation and/or HMRC practice and/or where they are inconsistent with Prudential's Adviser Charge administration capability.

I/We confirm that I/we have discussed with my/our financial adviser the tax implications of my/our investment being net of any Set-up Adviser Charges, and also the tax implications of having my/our Ongoing Adviser Charge deducted from the contract. I understand that deduction of any Ongoing Adviser Charge will be treated as withdrawal from the Endowment Policy.
